Resume : Vincent moved to Paris in 1886, after hearing from his brother Theo about the new, colourful style of French painting. Wasting no time, he tried it out in several self-portraits.

He did this mostly to avoid having to pay for a model. Using rhythmic brushstrokes in striking colours, he portrayed himself here as a fashionably dressed Parisian.

Resume : Notice iconographique issue de Wikimedia Commons. Titre: The Poplars at Saint-Rémy.

Van Gogh painted this autumnal landscape while at an asylum near Saint-Rémy in southern France.

Although at first limited to painting from memory in his room, he soon resumed working outdoors.

This painting reveals the full power of his mature style. Trees twist and lean against a
